Thank you for going above and beyond to validate Kong upgrade on stable environment with marginal impact to customers. The thought process in creating an additional cluster to manage traffic across old and new versions helped manage the impact. You had to battle through a tools outage mid way, stretching the activity late into the night. You were also extremely responsive to stakeholders who reported issues solving them proactively.

Your talent and dedication to our values is one of the greatest sources of success at Clarivate.

Thank you for your continued effort.
